

# Create a Coat of Arms

Inspired by Patrick Staff's exhibition *The Prince of Homburg* and the Homburg family crest, have a go at making your own family coat of arms.

- **Family values:** Make a list of your family values or things that you enjoy doing together.
- **Symbols:** Choose what symbols (animals, signs, objects) will represent these. Draw or collage them onto the shield.
- **Motto:** Come up with a family motto and write it in the scroll. Share using #DCAmakes.
