

Top tips

- do write what YOU feel and your own thoughts or views
- do write about what you thought was special /unusual
- don't just tell the story or describe the artwork
- say whether you would recommend it for other people to visit
- suggest what ages it would suit and why
- can you write anything about the characters, colours, camera shots?
- can you write anything about the story being told, the sound or the setting?

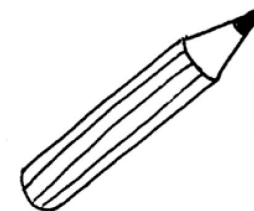

DISCOVERY FILM FESTIVAL
