

Look/Create/Share: Say Hello with Art

This week's Children's Art Week theme is 'Connecting across generations', so we'd like you to make an artwork to send to older folk in Dundee via Dundee Pensioners Forum and HOPE.

All artworks are welcome: create a drawing, make a collage, write a poem or paint a picture. Fill the space below or use a separate piece of paper. Sharing your artwork is a great way to say hello to older people who may be feeling isolated. Spread cheer with your creativity!

Send your artwork to **DCA Learning, Dundee Contemporary Arts, 152 Nethergate, Dundee, DD1 4DY** or email learning@dca.org.uk

You can also share your artwork online using **#DCAmakes**
