

DUNDEAD

Dundee's dedicated horror and cult film festival returns for its thirteenth edition. We've got a terrifying line-up for you, including a chilling selection of premieres, a collection of retrospective titles celebrating Italian horror, a programme of short films and introductions by special guest, plus our nail-biting Dundead Film Quiz.

Depending on how brave you're feeling, you can immerse yourself in the festival with a Full or Half Pass. Each pass comes with some Dundead merch featuring our festival logo, which has been designed by illustrator Katriona Gillon.

See you there - if you dare!
