

Legendary Dundonian actor Brian Cox makes his directorial debut with **Glenrothan** this week, a film he describes as a “love letter to Scotland”. There are more chances to see Scotland on screen in **California Schemin'**, the gripping biographical drama that features scenes filmed here in Dundee.

From further afield, don't miss **Two Prosecutors**, a Russian-language historical drama that was nominated for the Palme d'Or at Cannes Film Festival last year, and **Palestine Comedy Club**, a powerful documentary about a group of Palestinian comedians undertaking an international tour as war breaks out at home.

And there's fun for the final weekend of the school holidays – Disney Pixar's animated comedy **Hoppers** is fun for all ages, and we're thrilled to host **Touch Screen: Light and Colour** in our Create Space; it's an interactive film experience particularly suited to disabled audiences, SEND families and sensory-seeking young people.
