

Join us this week for ***I'm Still Here***, the Brazilian feature nominated for Best Picture at the Academy Awards. From Walter Salles (*Central Station*), this powerful drama gives a rich account of life under an oppressive regime in 1970s Brazil.

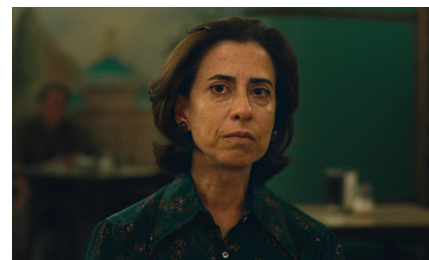

Harrison Ford stars in ***Captain America: Brave New World***, and there's more time to see ***The Monkey*** and ***Bridget Jones: Mad About the Boy***. We're bringing back Oscar-nominated biopic ***A Complete Unknown*** along with a special preview screening of ***On Falling***, which follows a Portuguese migrant worker in Scotland.

The Japan Foundation Touring Film Programme continues with quirky anime ***Ghost Cat Anzu*** and period drama ***Broken Commandment***, and our next Discovery Family Film Club film is Saudi Arabian feature ***Wadjda***. Finally, get ready for Bong Joon-ho's *Mickey 17* by revisiting his modern masterpiece ***Parasite*** – this time in stunning 4K black and white. Enjoy!
