

It's time... Christopher Nolan's **The Odyssey** is at DCA and we are showing this epic adventure in both digital and 35mm film! Matt Damon leads the starstudded ensemble cast including Anne Hathaway, Zendaya, Tom Holland, Robert Pattinson, Lupita Nyong'o and Charlize Theron.

BFI's *Rip it Up* season celebrates the changing face of youth rebellion, culture, and expression on screen. We are *kicking* it off with the coming-of-age football comedy-drama **Bend it like Beckham** and **Rocks**, a film about joy, resilience and the spirit of girlhood. You can see any 3 films in the *Rip It Up* season for £24 when you book them together.

Minions & Monsters continues to bring all the usual charm and chaos we expect from our favourite dungaree-wearing friends. In our Create Space we also have some Minion themed art activities for kids to help fill the long summer days. And **Toy Story 5** is back featuring classic Pixar fun for all ages!

Fri 17 - Thu 23 July

The Odyssey (15, 2h52m)

Director Christopher Nolan adapts Homer's Ancient Greek epic. Odysseus faces a treacherous voyage back to his Kingdom of Ithaca after the Trojan war. Showing at DCA in both digital and glorious 35mm film.

The Odyssey

Birds of War + Recorded Q&A (15, 1h25m + 20m recorded Q&A)

A Lebanese journalist and a Syrian activist retrace their love story over thirteen years of war, revolutions, and exile. Drawing on an intimate personal archive, the film asks what it means to build a life together in a world shaped by conflict.

The Last Viking (15, 1h56m)

After serving in prison a bank robber is determined to find money his brother buried years earlier, but there's just one problem: caught in an identity crisis his brother is convinced he is John Lennon and can no longer remember where it is hidden. Danish crime thriller - with a streak of dark humour - starring Mads Mikkelsen.

The Last Viking

Nirvana the Band the Show the Movie (15, 1h0m)

An anarchic Canadian comedy based on the viral web series about a band who strive to land a major show – despite never having written or recorded a song. When their plan to book a gig goes horribly wrong, the duo accidentally travel back to the year 2008.

Nirvana the Band the Show the Movie

Minions & Monsters (U, 1h30m)

The Minions are back with a rambunctious and ridiculous story of how they conquered Hollywood, became movie stars, lost everything, unleashed monsters into the world, and then saved the planet! Tickets for under 17s are only £5 this summer at DCA, don't miss out!
