

Take a trip to the Land of Oz this week at DCA, as **Wicked** arrives on the big screen. This musical spectacle is based on the beloved stage show and features powerhouse performances from Cynthia Erivo and Ariana Grande as the two witches of Oz.

Elsewhere, Ralph Fiennes and Stanley Tucci star in **Conclave**, a thriller set in the Vatican, we're bringing back **Small Things Like These** by popular demand and there's more time to see **Gladiator II**. You can also join us for Palestinian documentary **No Other Land**, and we begin our **French Film Festival** screenings with animated ecological fable **Savages**.

The whole family can get into the festive spirit with the **CBeebies Panto** – this year it's **Beauty and the Beast**. Finally, all aboard for this week's **Art of Action** screenings: Bong Joon Ho's sci-fi **Snowpiercer**, set aboard a post-apocalyptic train, and 1929's **The Flying Scotsman**, accompanied by a live piano performance by Jane Gardner.
