“The facilities and the space at the DCA are wonderful and can be easily adapted for different types of workshops and events. The event staff were really helpful for making sure everything was set up for us and ran smoothly.”

“We held our AGM at the DCA. It was the ideal amount of space, the room we used was open and bright and the staff were really helpful. We would host an event here again!”

Opened in 1999, DCA is an architecturally significant and much-loved building, voted one of RIAS's top ten Scottish buildings of the 20th century.

Alongside our busy cultural programme of cinema, printmaking, visual art and learning, we offer a range of flexible events spaces, from our large-scale Meeting Room and Centrespace, to smaller meeting spaces, media recording facilities, cinema hire and desk space.
